Cornwall Gardens

South Kensington SW7

1 Bedroom, 1 Bathroom
For 2 guests

A tranquil one-bedroom apartment in Kensington. This considered home marries grand proportions with pared-back design.

Residing within a Grade II-listed villa, this lateral apartment employs refined interior design to elevate its period architecture. An open-plan reception and dining room features uplifting volumes. Vast windows soar towards the ceiling. Take a breather on a built-in window seat and enjoy verdant views of the gated garden below, to which you have access.

The living space is grounded by a dark fireplace with a contrasting white stone surround. Modern touches span colourful artwork, steel-framed rattan dining chairs and a sculptural orb chandelier.

Parquet flooring flows into a contemporary kitchen pairing integrated appliances with minimalistic, denim-toned cabinetry. Prepare a meal on marble worktops then dine by the expansive sash window.

Optimised for relaxation, the bedroom draws together a feature fireplace, brushed brass wall lights and a bank of fitted wardrobes. Up a few steps, a door with lead-lined privacy glass leads to the bathroom. This space benefits from herringbone wall tiles and a walk-in rainfall shower.

LOCATION

Caught between Hyde Park and Earl's Court, this handsome pocket of Kensington is defined by period architecture and regal history.

The neighbourhood enjoys an array of options for dining out. Book a table at Akira for Japanese cuisine, Zaika for Indian or Launceston Place for modern European dishes. Head to Kensington High Street for retail therapy or grab sweet pastries from GAIL's Bakery and explore the lawns and lakes of Hyde Park.
