## Down Street Mews

Mayfair W1J

5 Bedrooms, 5 Bathrooms  
For 10 guests

---

Arranged across seven floors of living space, sumptuous materials and pristine finishes converge at this remarkable five-bedroom home in Mayfair.

Inspired by the iconic La Maison de Verre in Paris, this unique glass-clad home is a secluded retreat moments from Hyde Park. The home was masterminded by esteemed architectural practice Scott Brownrigg, incorporating high ceilings and Juliet balconies throughout.

An exemplar of inverted living, the bedrooms take the lower floors. A lift serves all seven levels and provides immediate access to the second-floor reception room. Sink into the sofa backdropped by ornaments and curios. Optimised for conversation, this space is ideal for family get-togethers.

Set on the top floor, the kitchen draws together an indulgent palette of materials. A waterfall island forms the centrepiece while dark wood cabinetry sets a distinguished tone. Prepare a meal using integrated Gaggenau appliances then dine at the smooth white marble breakfast bar. Afterwards, pour a glass of wine from the cooler to enjoy on the sofa, below the expansive skylight.

Double doors grant access to the open-plan dining and reception room. A sculptural chandelier illuminates a table with seating for six. Hardwood flooring flows into the living area. This considered, convivial space is crowned with a central skylight that showers the room with sunshine, creating an uplifting atmosphere.

Expansive glazing and generous volumes bring daylight into this architect-designed home, inspired by La Maison de Verre in Paris.

A sense of luxury has been cultivated within the principal bedroom. Pendant lights flank the sleeping area. An extension of the towering headboard, a plush feature wall creates a decadent atmosphere. Dominating the first floor, this space benefits from a built-in vanity area and a walk-in wardrobe. Its marble-wrapped bathroom enjoys a dual vanity, walk-in shower and separate bathtub. Four further bedrooms incorporate en suite bathrooms and integrated storage.

The uppermost basement features a fully equipped gym, a games room and a decked courtyard with a towering living wall. Head down to the spa and take a dip in the pool. Afterwards, relax in the sauna and steam room. Ideal for movie nights, a generous cinema room comes complete with recessed lighting, plush fabric walls and a popcorn machine.

Each bedroom is crafted using carefully selected materials and comes complete with a stylish en suite bathroom.
