Penywern Road

South Kensington SW6

1 Bedroom, 1 Bathroom
For 2 guests

A stepping-stone to the city's world-renowned museums, rich details and contemporary artwork characterise this one-bedroom apartment.

Within a traditional stucco townhouse, Penywern Road embodies an understated elegance in keeping with its timeless exterior.

A pared-back palette produces a calming air inside, amplifying the natural light of an open plan dining and reception room. Earthy tones and natural textures lean into an organic aesthetic, while period features preserve an authentic charm. Settle into the sofa to admire a considered selection of artwork or gather at the table for sun-lit breakfasts.

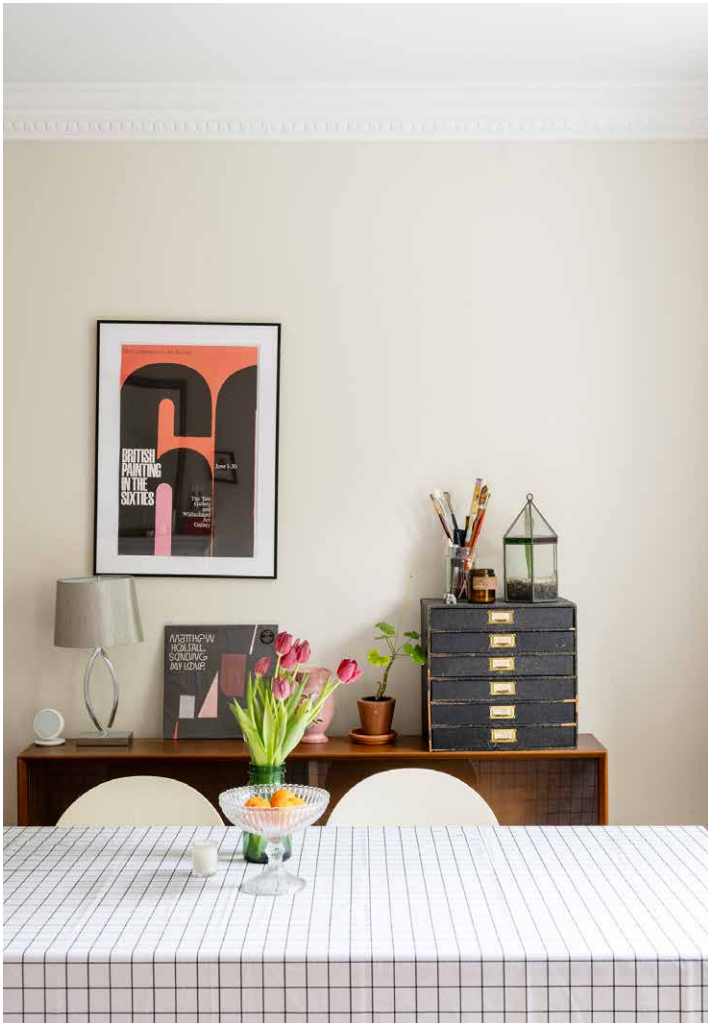

In the adjoining room, a contemporary kitchen pairs form with function. Glossy black countertops contrast the cool white canvas, producing a bright monochromatic space. Integrated appliances and overhead storage make cooking effortless.
