Chilworth Street III

Bayswater W2

1 Bedroom, 1 Bathroom
For 2 guests

Pedigree meets modernity. A serene one-bedroom apartment on the top floor of a period block in Bayswater.

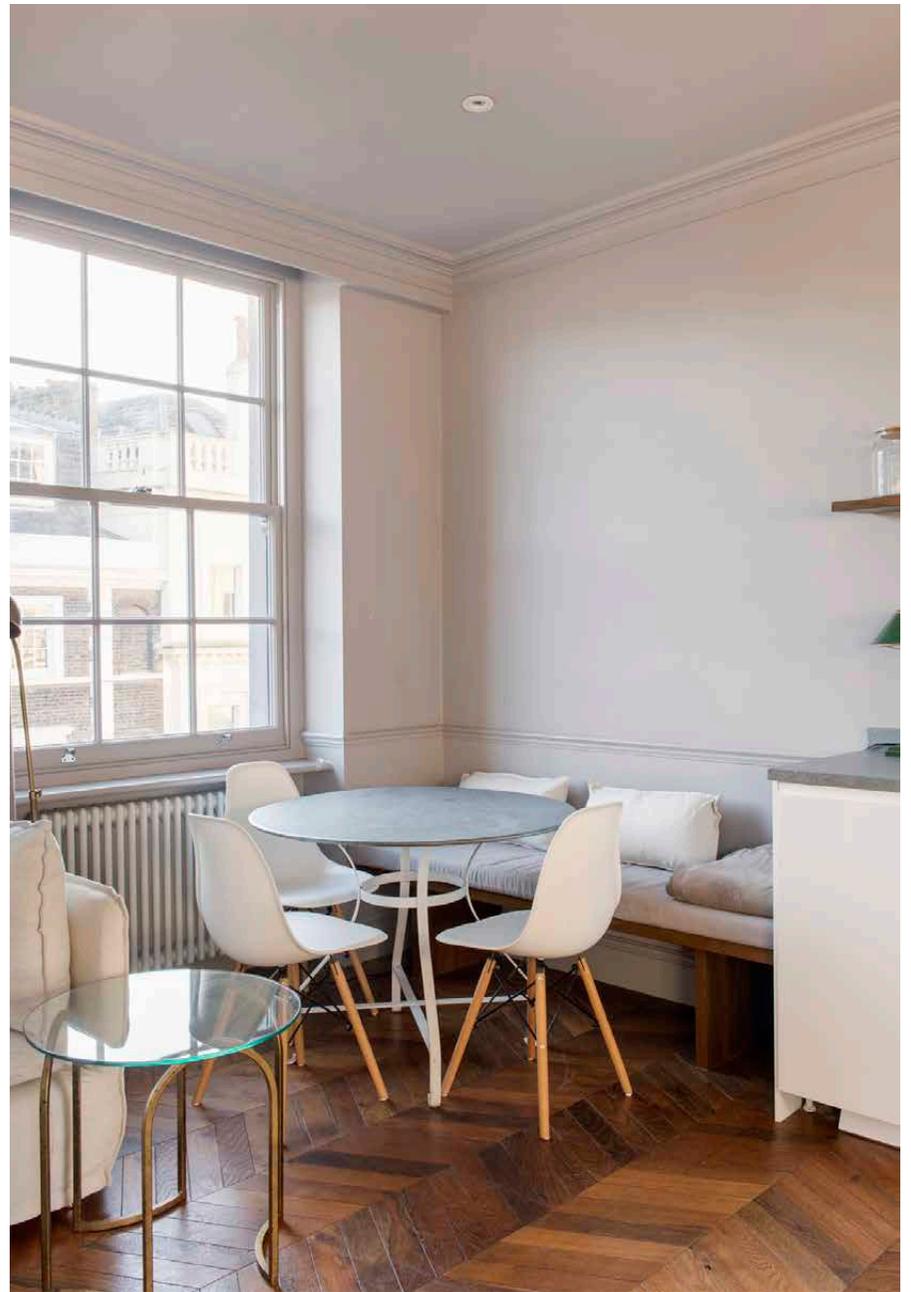

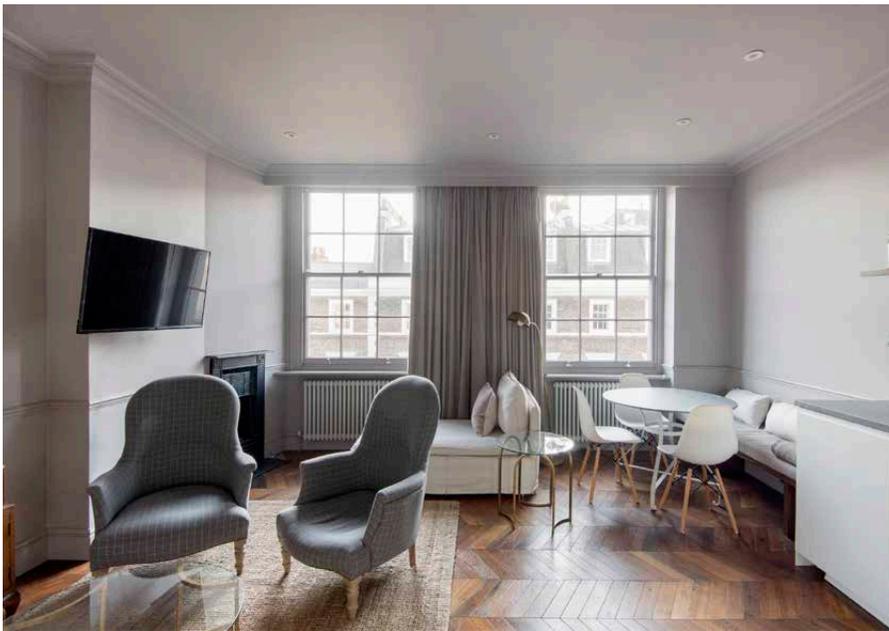

Calming tones create a warm welcome inside this considered home. Set on the third floor of an elegant Victorian building, natural light pours through two large sash windows into the open-plan kitchen and living area. Pared-back cabinetry and integrated appliances create a minimalistic look while clean-line corning and a feature fireplace add a touch of grandeur. Make breakfast in the kitchen then dine on integrated bench seating. On the other side of the space, a comfortable living area is optimised for conversation.

Swedish chevron flooring flows into a quiet, rear-facing bedroom. Mornings are easy waking up in design-forward surroundings. A neutral palette pairs with built-in wardrobes and an enviable vantage point taking in the whole of Gloucester Mews West. Next door, a stylish tiled bathroom features modern fittings and a frameless rainfall shower.

Cook, dine and relax in the spacious reception room.

“

A tranquil retreat with a calming colour scheme and ample storage.

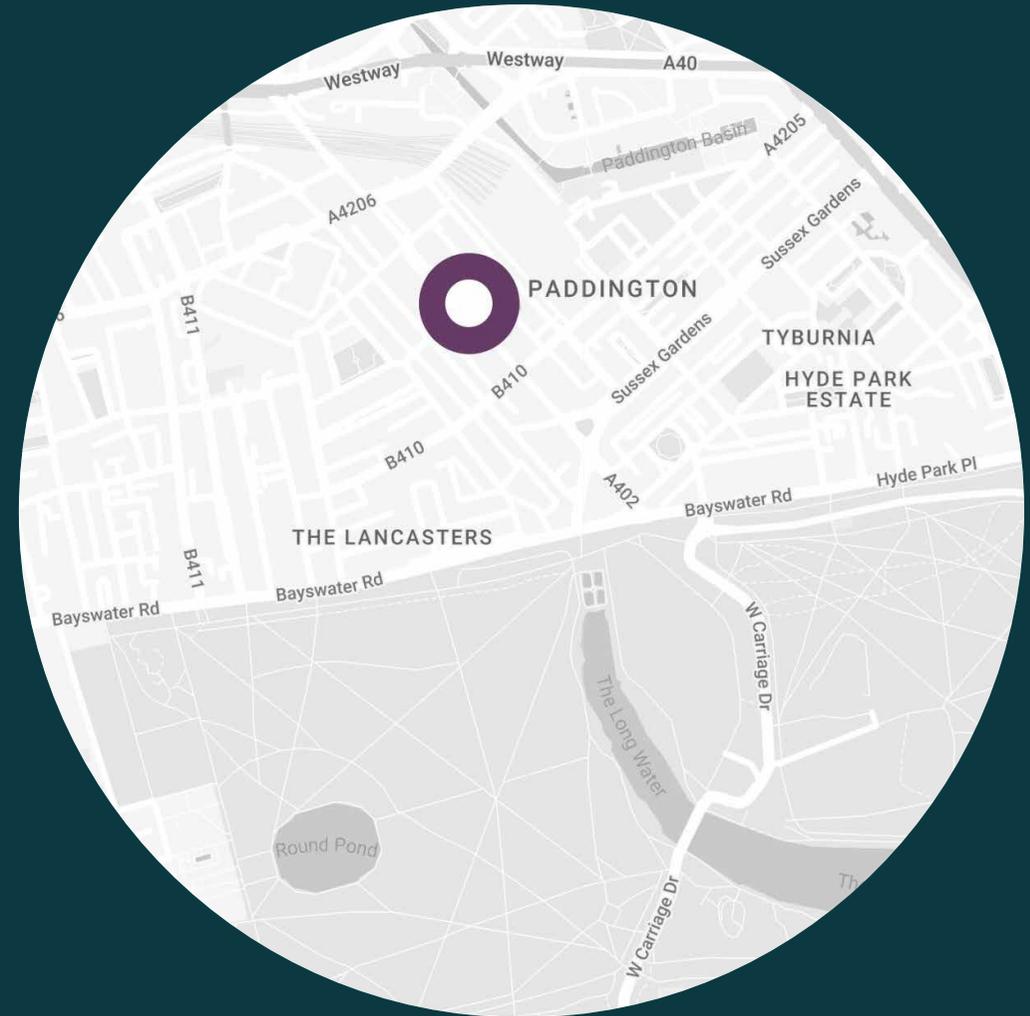

Recharge under the walk-in rainfall shower.
