Knox Street

MARYLEBONE

4 Bedrooms, 3 Bathrooms
For 8 guests

Tactile materials, organic tones and sleek interior styling make for a serene city sanctum.

A geometric tiled entryway and yellow front door set an uplifting tone for this family home, which unfurls across an expansive footprint with layers of sunlight, stylish finishes and spaces imagined for socialising – plus a welcoming patio garden. Thoughtfully designed interiors balance heritage elegance with 21st-century comfort, creating a home that feels both refined and inviting.

The living spaces

The home opens into a spacious reception room, illuminated through dual-aspect windows. Period details, such as the refined ceiling cornicing and elegant fireplace, are a sophisticated canvas for contemporary interventions: a widescreen television set against shiplap panelling, midcentury-style tuxedo sofas and a bright, cushioned window seat.

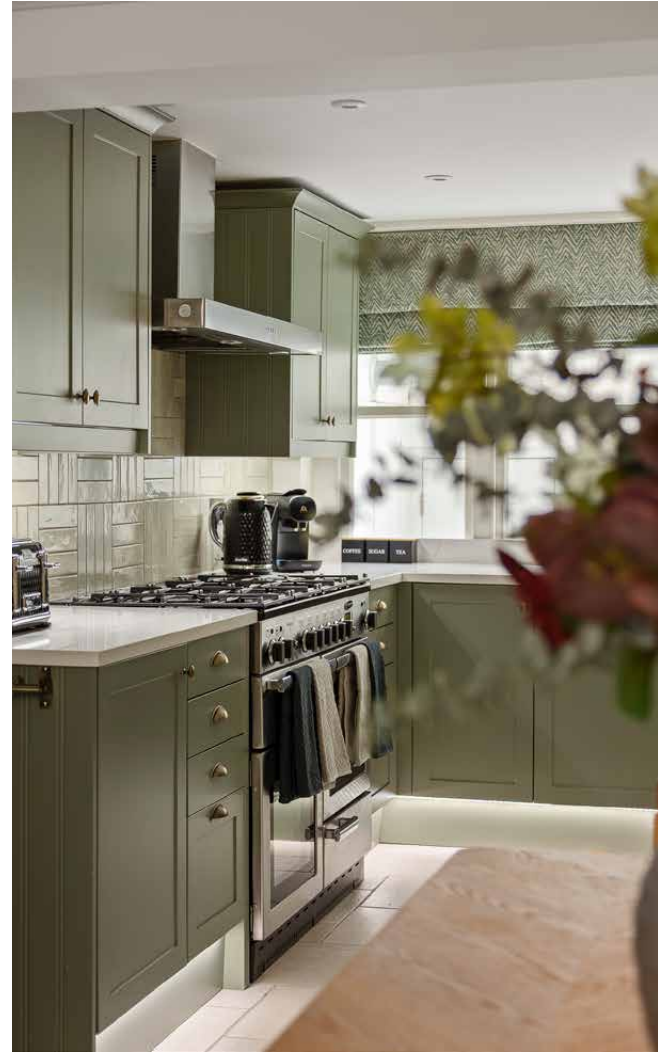

Kitchen & dining

Downstairs, the greenscale shaker-style kitchen has a thoroughly tranquil character, complete with marble worktops, a shiplap central island, a tiled splashback and Rangemaster oven. Natural light beams through a full-width picture window overlooking the garden. Rattan chairs and wooden bench seating bring a relaxed, organic feel to the dining area, while a fern-green sofa is neatly tucked in an alcove – making for a cosy reading nook.

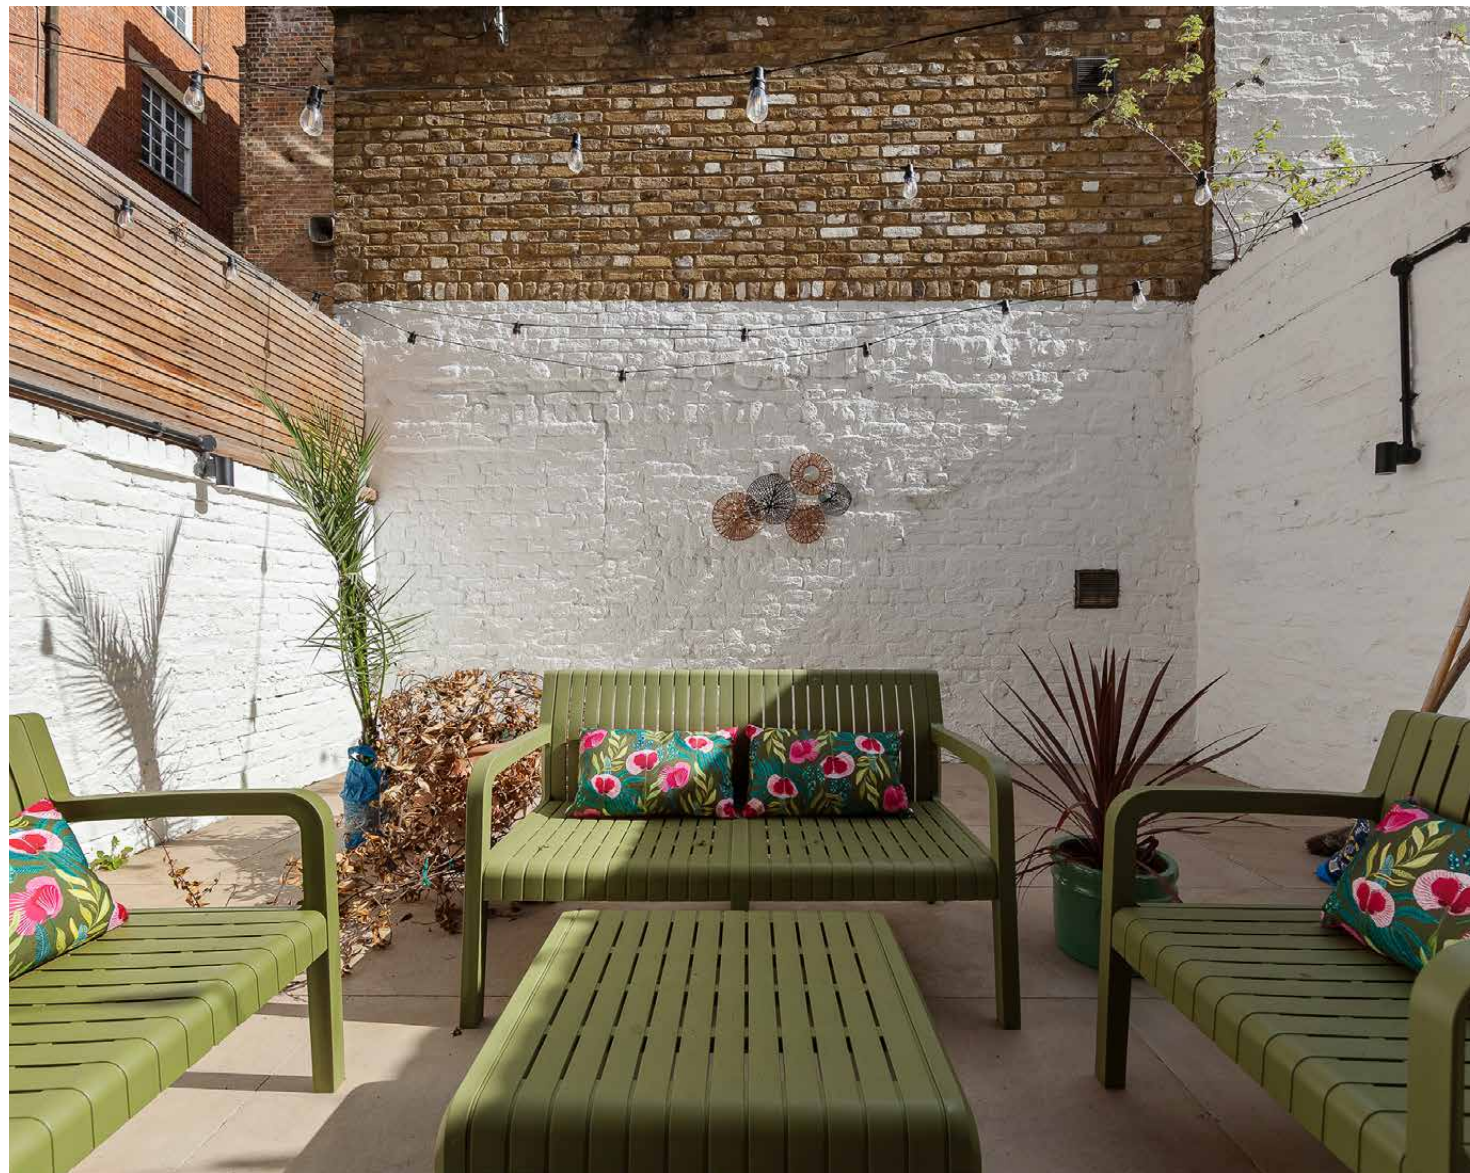

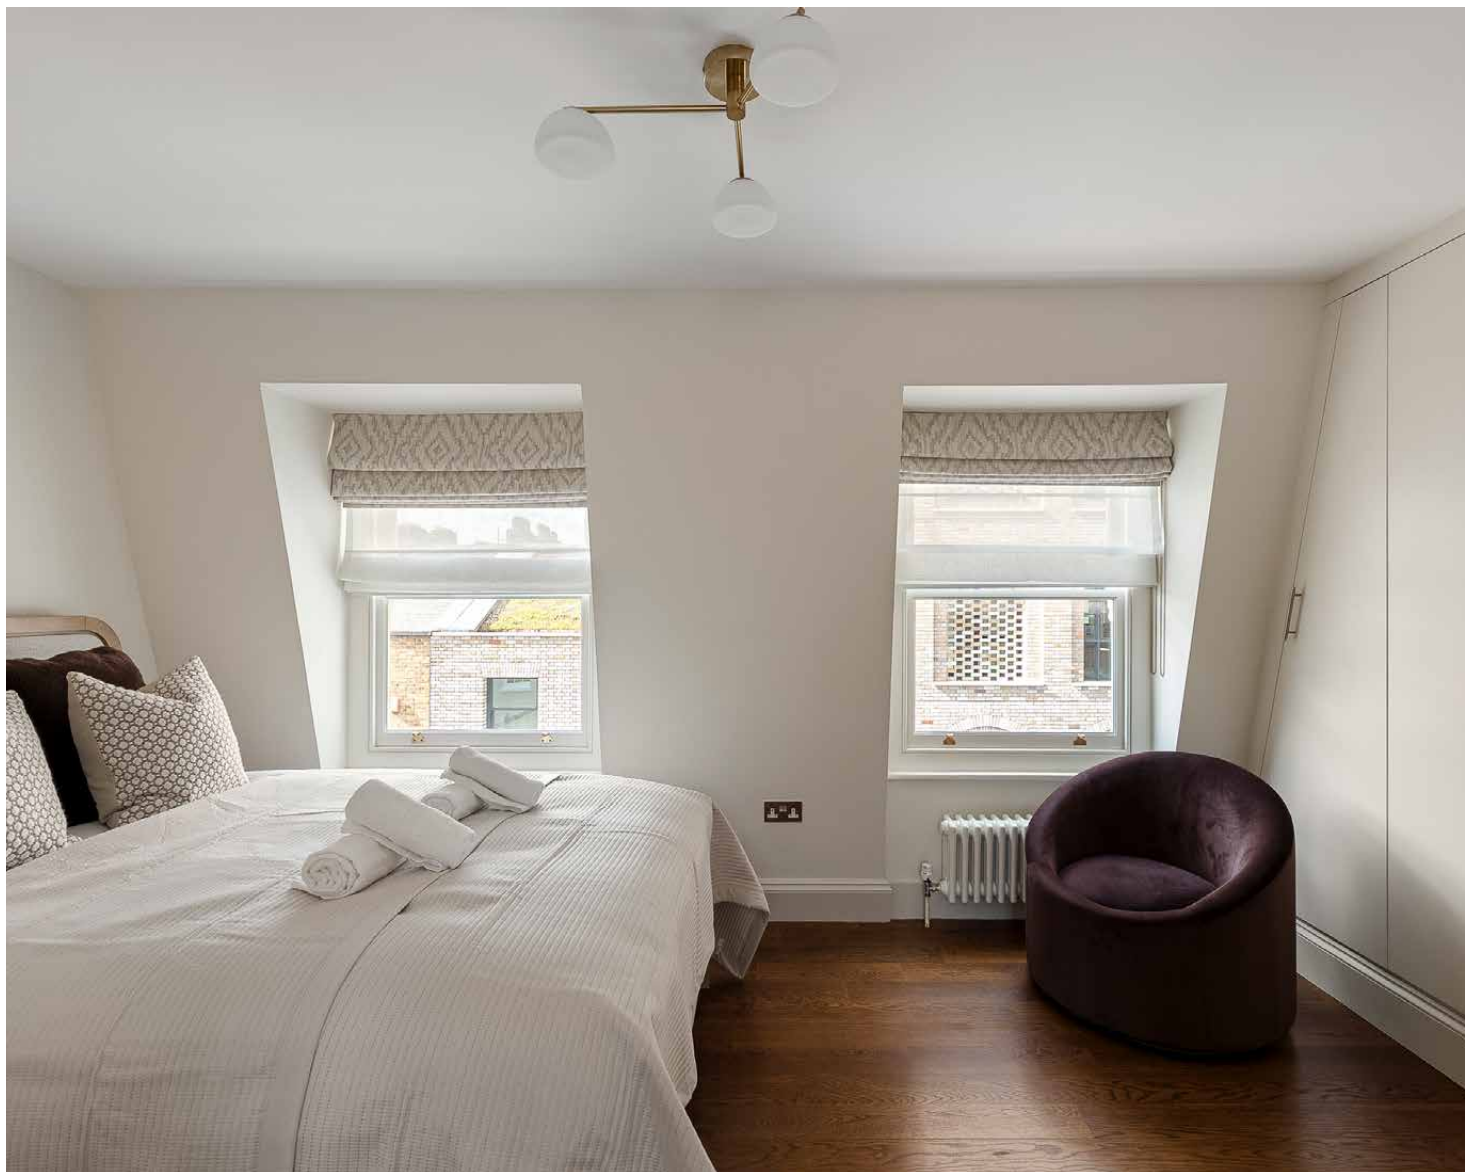

Outside space

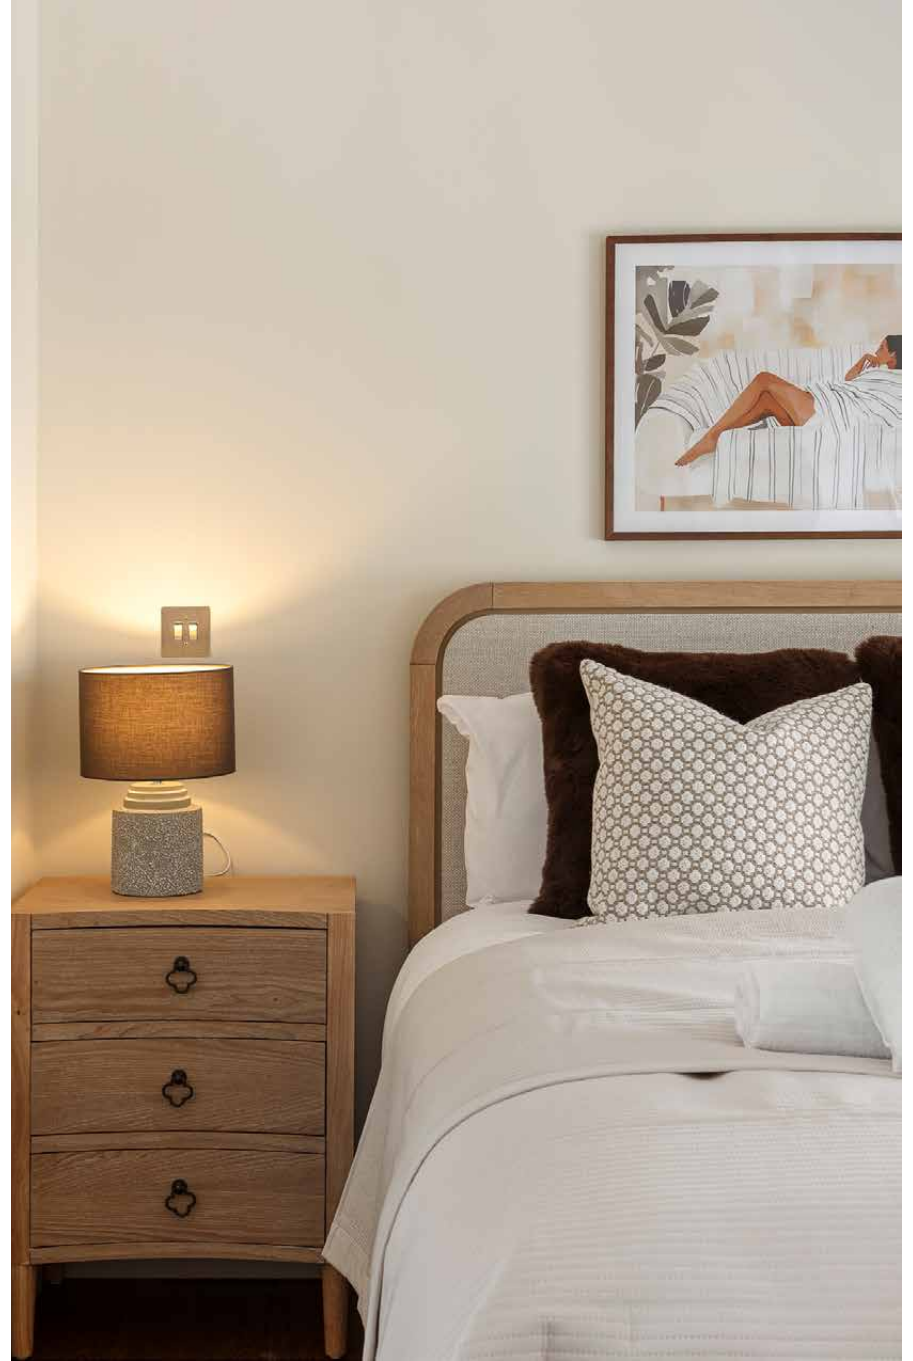

From the kitchen, a glass door opens to a set of steps which leads up to the patio garden. Backdropped by whitewashed brick walls, it's a perfect spot to make the most of London's sunny days. Come evening, strings of bulb lighting cast a warm glow across the space.

Bedrooms & bathrooms

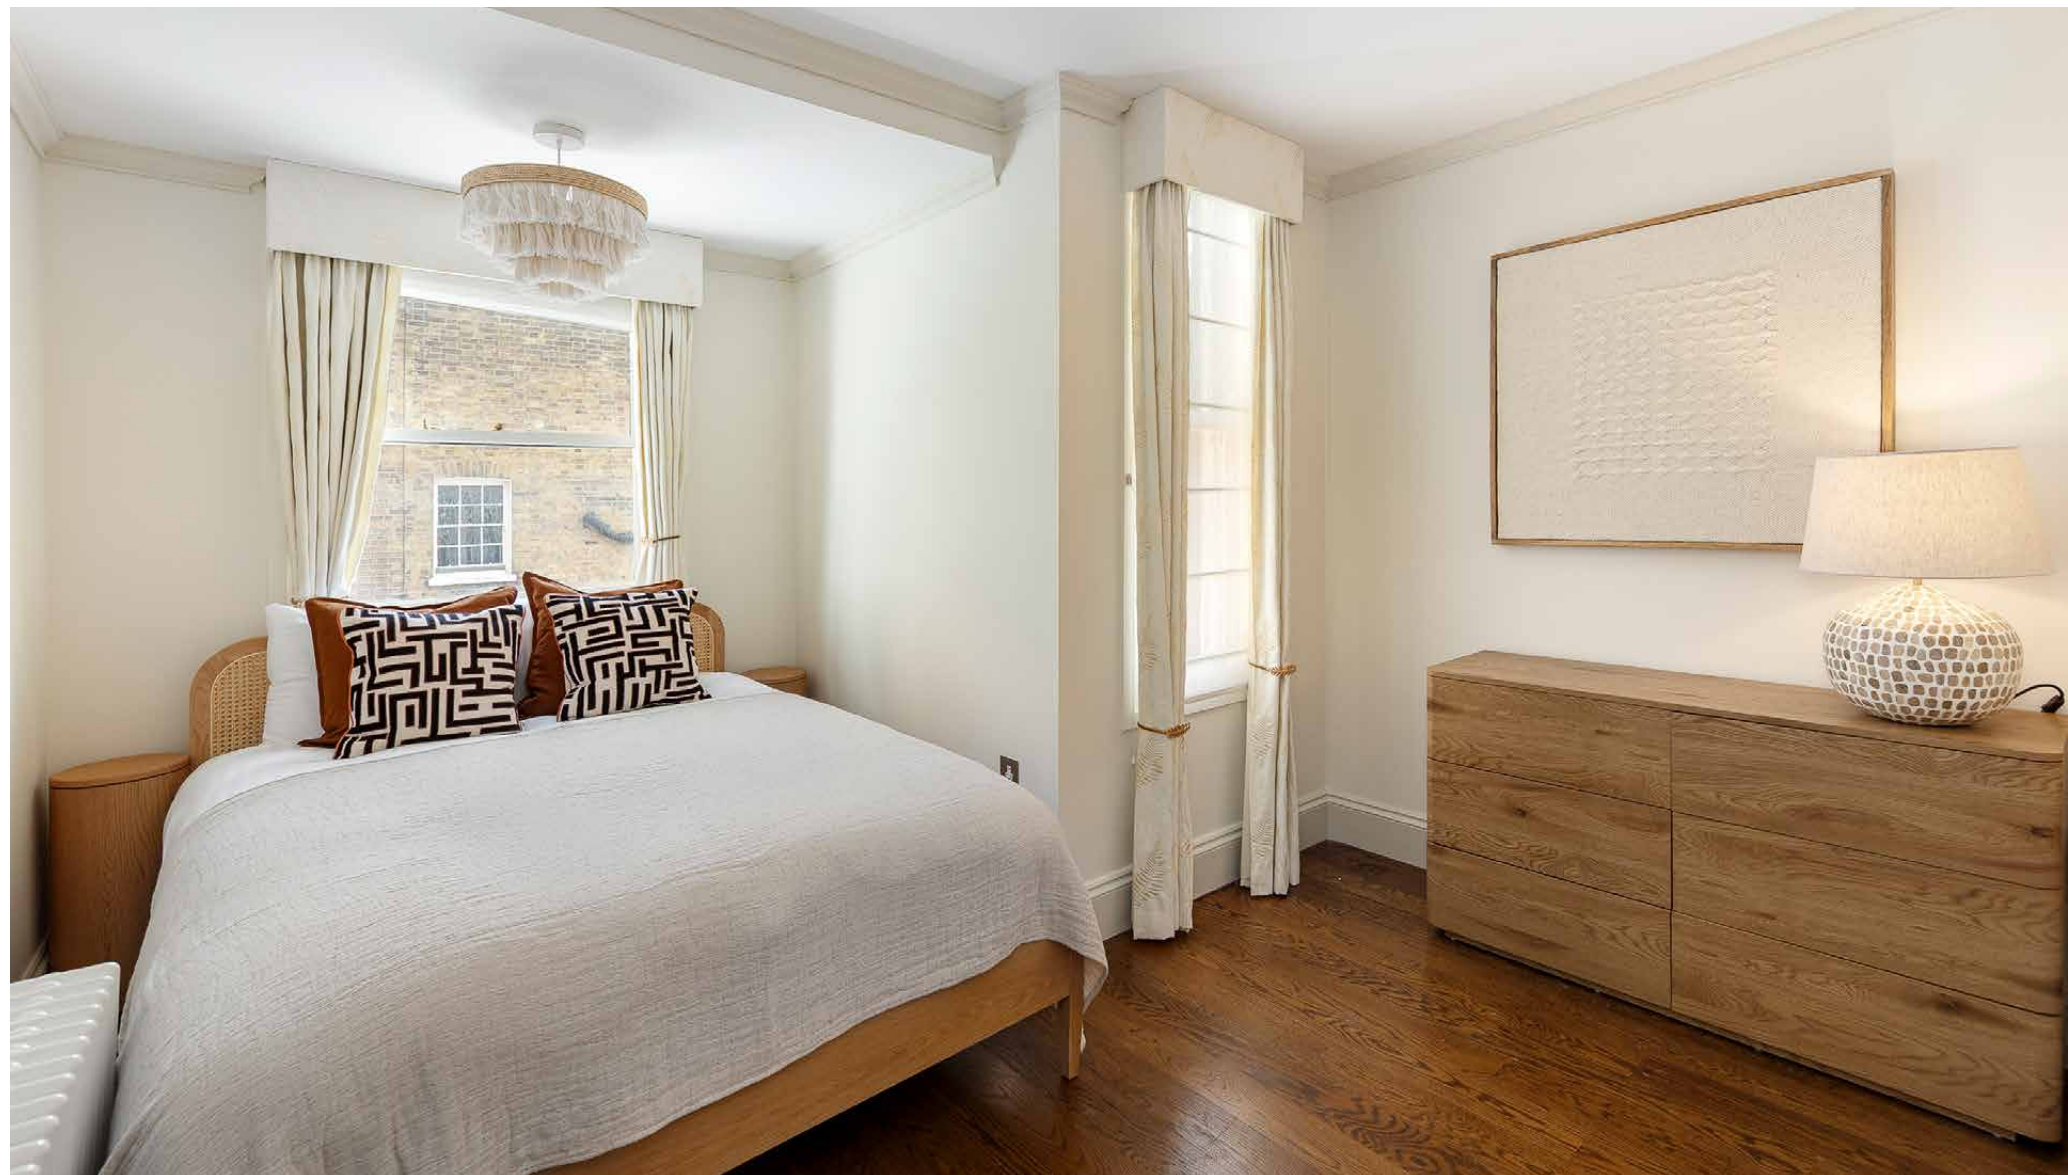

An architectural staircase, crafted with timber into clean vertical lines, ascends to the bedrooms. The principal suite maintains the sense of calm, with sunlight filtered through a pair of sash windows. Pale walls and wood floors offer a minimalist backdrop for the patterned curtains, marble fireplace, integrated wardrobes and vanity area. Double doors open to reveal the en suite, which has a playful feel with bold tiling and freestanding bathtub. Three additional bedrooms and two guest bathrooms are styled with a neutral palette of tones and materials, offering calming spaces for all to rest and rest.

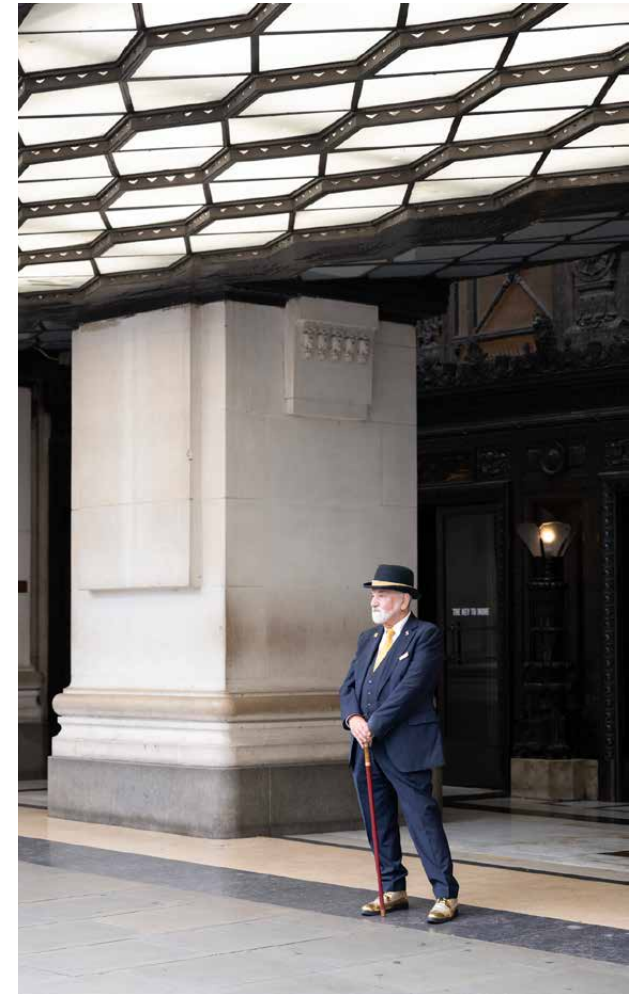

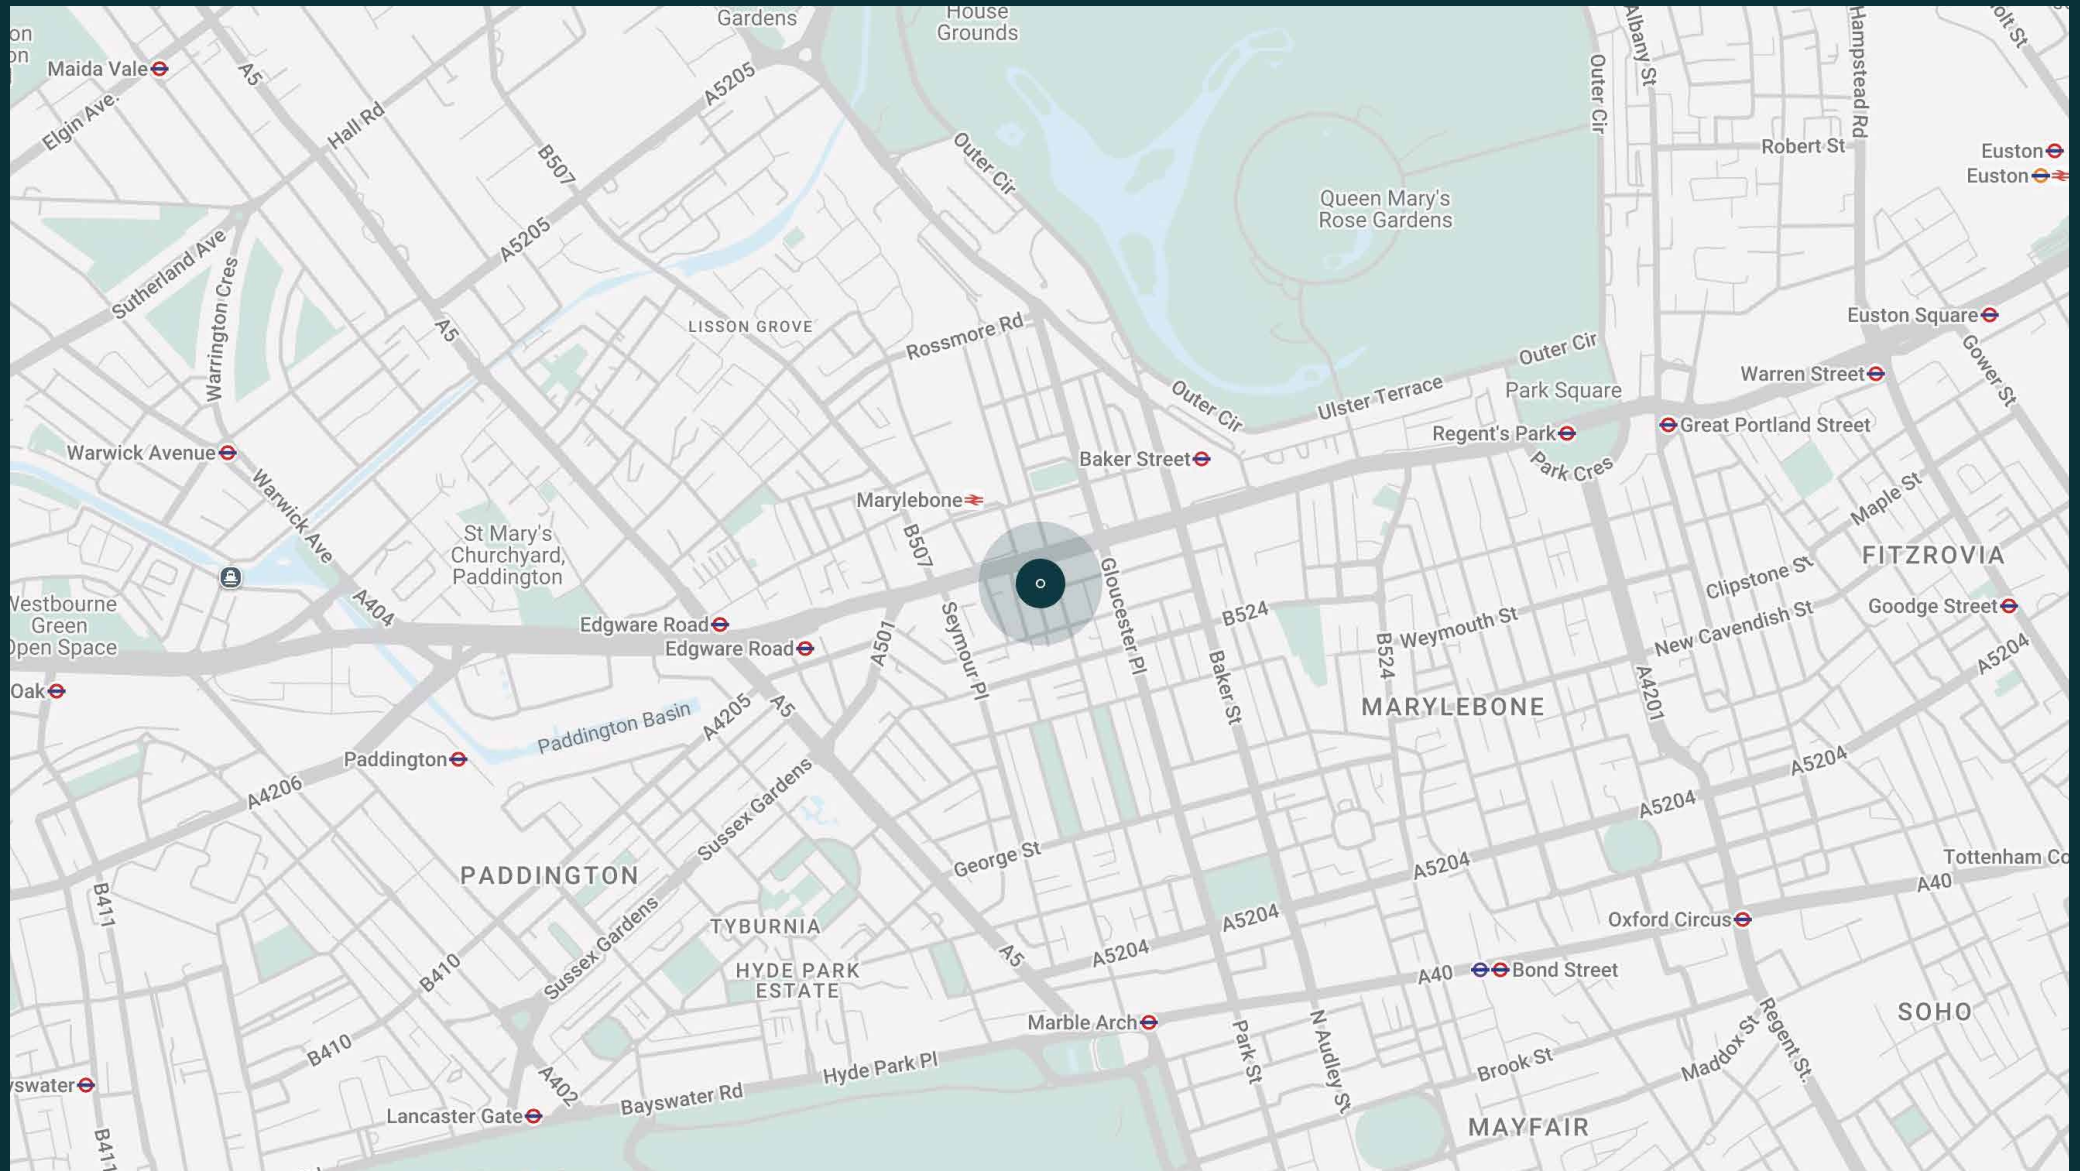

The neighbourhood

Set in the heart of Marylebone, Knox Street enjoys a rare mix of calm elegance and urban vitality.

The shopping here is refined — independent boutiques and luxury names along Marylebone High Street, while cultural highlights include the Wallace Collection, the Sherlock Holmes Museum on Baker Street, and the intimate Wigmore Hall for chamber concerts. Dining options run from cosy neighborhood cafés like the Chiltern Street Deli to refined restaurants Fischers, Lita and Opso, plus standout local food purveyors such as La Fromagerie. Proximity to green space is a bonus: Regent's Park is right on the doorstep, perfect for strolls and trips to London Zoo. Plus, the West End's bustling theatre scene, Oxford Street's inimitable shopping and Soho's flourishing food offerings are all within easy reach.
