St Petersburg Mews

BAYSWATER W2

2 Bedrooms, 2 Bathrooms
For 4 guests

A quintessential mews home reimagined into an artistic marvel, moments from Hyde Park.

A fusion of rustic textures and vibrant colours, this two-bedroom residence blends a farmhouse aesthetic with fast-paced city living. Nestled between upscale Westbourne Grove and picturesque Hyde Park, West London's prime locales are at your doorstep. From designer boutiques to sunlit boat rides, St Petersburg Mews promises the best of both worlds.

“It’s such an easy space. You come straight in and you’re in this sociable area where you can throw open the doors to the courtyard in the summer.”

Vanessa Branson, homeowner

The living spaces

Brushed plaster floors and poured concrete floors add a contemporary undercurrent in the open-plan kitchen and dining room, contrasting the array of reclaimed furniture. Centred around a huge wooden kitchen island, the space feels sociable and streamlined. Pull up a leather breakfast stool for morning coffees or host around the dining table; eclectic artwork and contemporary photography provide the talking points.

Upstairs, the living room is a spectacle of colour, with a berry-toned palette offering an opulent yet uplifting feel. Light enters through west-facing windows – overlooking the roof terrace – onto a desk, making for a bright space for home working.

Bedrooms & bathrooms

The principal bedroom is the pièce de résistance, stretching across the second floor to offer considerable living space and a walk-in wardrobe. A haven of minimalism, whitewashed walls and floors offer a calming atmosphere. Through an archway, the en suite bathroom features a freestanding tub, beautifully lit through Velux windows. A second bedroom is found on the first floor; an energising space with canary-yellow walls, served by a family bathroom.

A curated display of portraiture punctuates the considered décor on every floor, paying tribute to the visual arts and creating a thoroughly inspirational and uplifting setting. If you're searching for a home that celebrates originality, this is it.

Outdoor space

From the living space, open the French doors to the terrace in warmer months for inside-out living. Garden furniture and raised flower beds create an enticing al fresco setting.

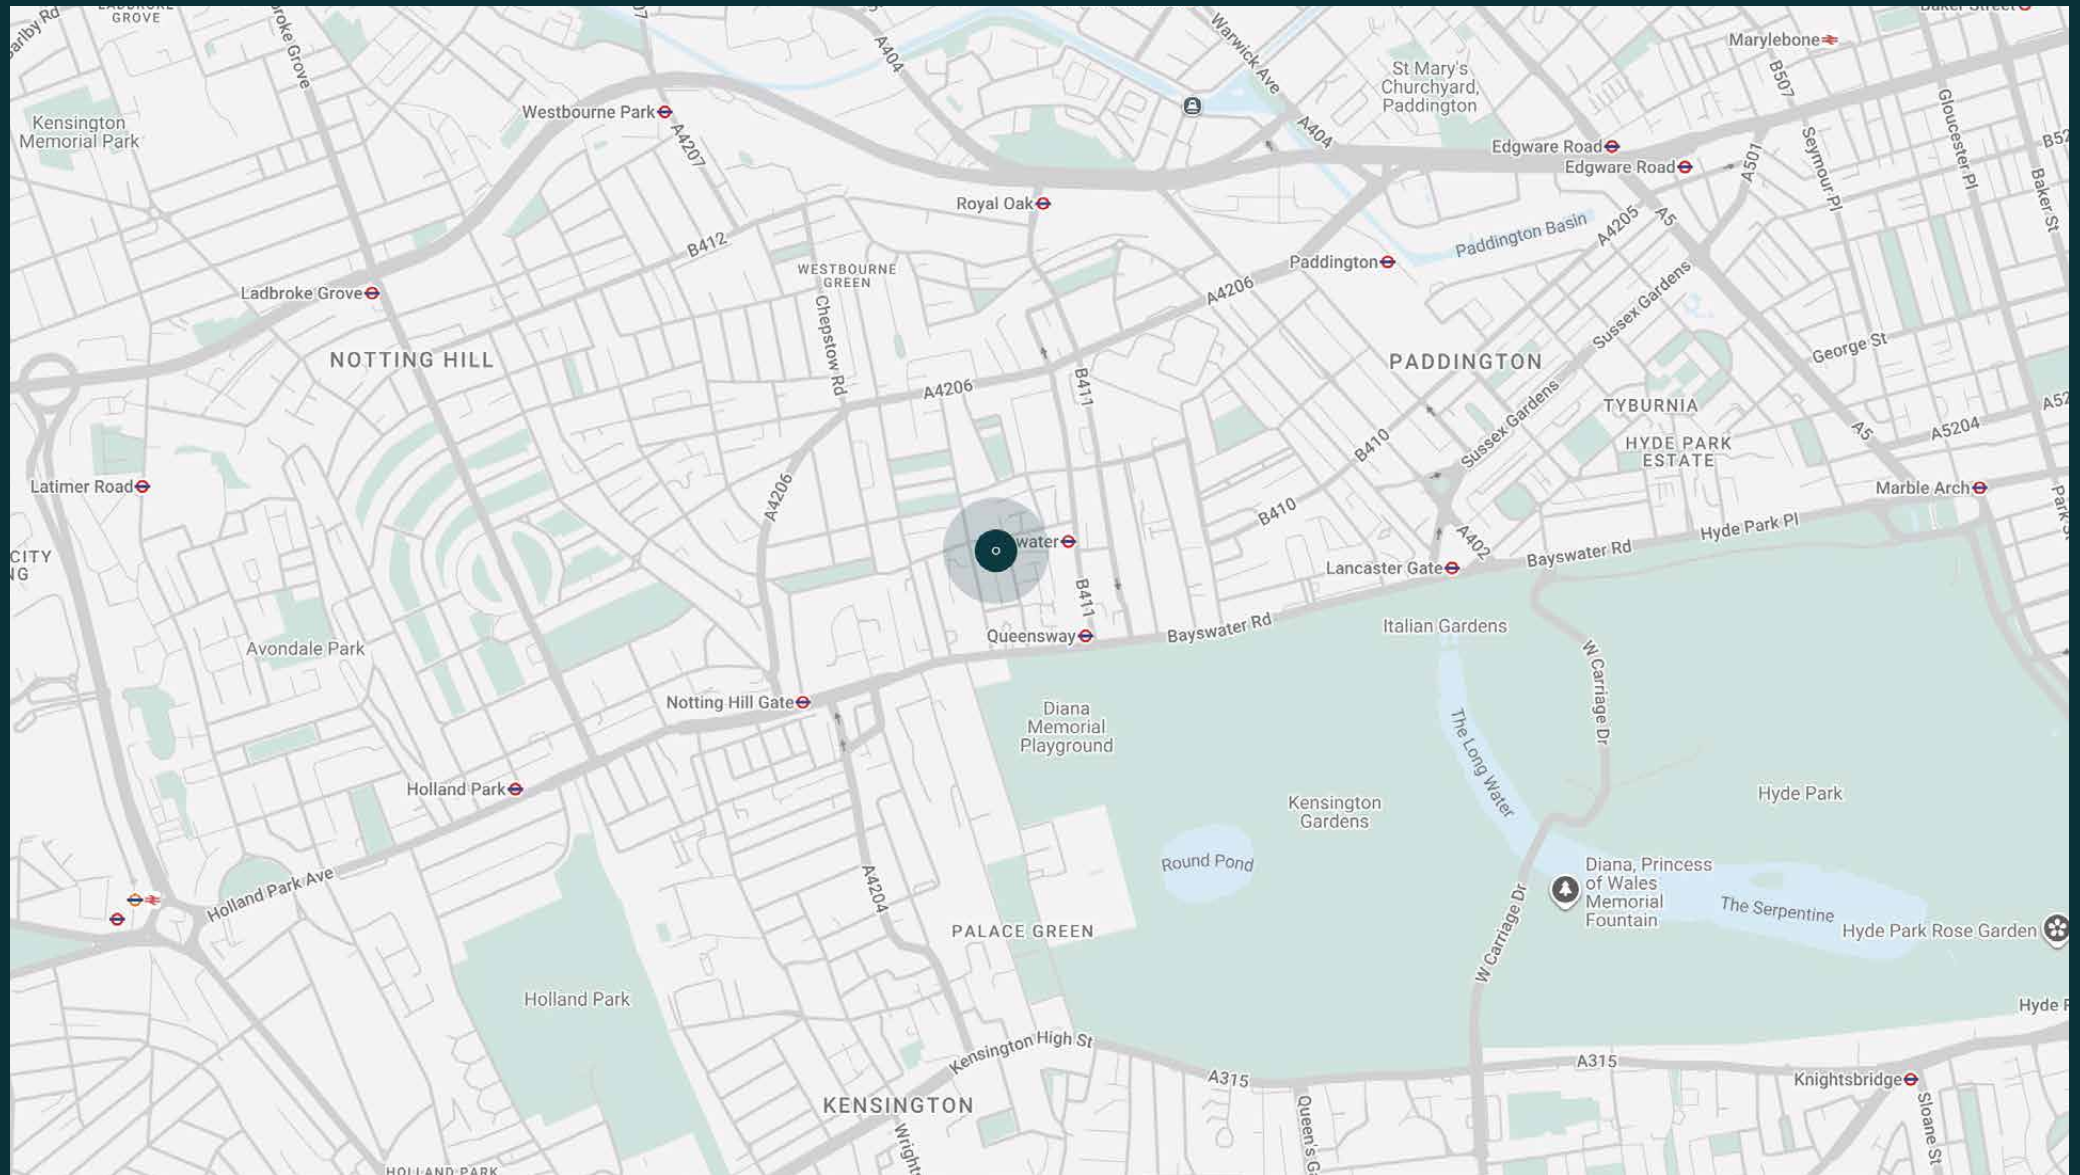

The neighbourhood

Minutes from Kensington Palace and acres of green space, well-heeled Notting Hill is also within walking distance here.

A quiet stroll in Hyde Park, a vintage treasure hunt along Portobello Market, or brunching on Westbourne Grove: everything you're looking for is a stone's throw away. Grab coffee at Guillam Coffee House, book a workout at Bodyism or linger over a leisurely lunch at Beam. In the evening, neighbourhood favourite Sol's is the place to sip natural wines, followed by dinner at The Park.
