The Lighthouse

Hammersmith W6

2 Bedrooms, 2 Bathrooms
For 4 guests

The clue's in the name. Step inside this light-flooded lateral apartment, an uplifting home elevated above its surrounding roofscape.

A masterstroke in the art of contemporary living, expertly imagined by architecture studio Teatum + Teatum. The Light House is a haven of whitewashed walls and sleek architectural lines; a tranquil bolthole that feels world's away from the energetic bustle of the capital.

Enter the spacious reception room, a relaxed environment with shafts of light cascading through the French windows and skylights. A wall of blonde wood offers a natural backdrop for the dining area, accentuated by jet-black spot lights for when evenings draw in. The kitchen next door proves that less is more; sleek marble countertops and handle-free cabinetry are at once stylish and functional. Black-framed French doors open to a roof terrace; its laser-cut steel wall folds into a bench, inviting cocktails and conversation as the sun sets behind.

Streamlined and sophisticated. Designed by architecture studio Teatum + Teatum, the home has been constructed with impeccable attention to detail.

The two double-bedrooms are harmonious mirrors of each other. Both feature whitewashed floors, Velux windows and fitted joinery by Noiascape Studios – making for elegant storage solutions. The adjoining en-suite bathrooms are wrapped in glossy metro tiles and mirrors to amplify the light. A bath in each, so everyone can enjoy long soaks.
